

U.S. Fulbright Student/Research Program

Kendall Daniels Purdue University	Stockholm University Master Program	Environmental Sciences: <i>When Permafrost Melts: Biogeochemical Impacts on Arctic Plant Productivity in Sweden</i>
Magda Dawit Northeastern University	Karolinska Institute	Virology: <i>The Impact of Polyomavirus on Chronic Wound Healing</i>
Victoria Huley UCLA	Lund University	Neuroscience: <i>The Role of Choroid Plexus Dysfunction in Neuroinflammation During Huntington's Disease</i>
Farrell Khem United States Military Academy West Point	Malmö University Master Program	Political Science: <i>Master's in Global Politics and Societal Change</i>
Kai Keltner Vanderbilt University	Uppsala University	International Relations: <i>Analyzing Effects of Peacekeeping and Grassroots Interventions in Post-Conflict Setting</i>
Perri Mahfouz The University of Tennessee Knoxville	Karolinska Institute Umeå University	Public Health: <i>Rural Equity Through Midwifery: Lessons from Sweden for U.S. Maternal Care</i>
Omar Salah San Diego State University	Karolinska Institute	Neuroscience: <i>Releasing a Molecular Brake on Dopamine in Parkinson's Disease</i>
Sophie Thompson Massachusetts Institute of Technology	University of Borås	Engineering: <i>Performance and Life-Cycle Assessment of Recycled Carbon Fiber Composites</i>

U.S. Visiting Lecturer / Research Scholars

Dr. Emily Cohen <i>Associate Professor</i> University of Maryland Center for Environmental Science	Lund University	Biology: <i>Animals in the Airspace: Taking the Niche Concept to New Heights</i>
Dr. Brielle Frost <i>Associate Professor</i> Lamar University	Karlstad University	Music: <i>Flute Education and Engagement in Sweden: Lessons, Masterclasses, and Cross-Cultural Collaboration</i>
Dr. Mojgan Nejad <i>Associate Professor</i> Michigan State University	Royal Institute of Technology (KTH)	Engineering: <i>Advancing the Production of Biobased Wood Adhesive at Scale</i>
Dr. Kristen Waring <i>Professor</i> Northern Arizona University School of Forestry	Skogforsk	Forestry: <i>Building Forest Resilience Through Regeneration: Increasing Tree Planting Success</i>
Dr. Samuel Zipper <i>Assistant Professor</i> University of Kansas	Stockholm University The Royal Swedish Academy of Sciences	Environmental Sciences: <i>Farm-to-Regional Agroecosystem Coupling Through Subsurface, Atmospheric and Socio-Economic Feedbacks</i>

Fulbright Distinguished Scholar at Uppsala

Dr. William Bianco <i>Professor</i> University of Indiana Bloomington	Uppsala University, SINAS	Political Science: <i>Project Madison: Civic Education Through Large Language Models</i>
--	----------------------------------	--

Fulbright Ukraine Beyond Borders Scholar

Dr. Erik Herron <i>Eberly Family Distinguished Professor of Political Science</i> West Virginia University	International IDEA	Political Science: Electoral Politics/ Campaign Management
---	---------------------------	--
